SUMMARY

Informatics undergraduate with hands-on experience in web development using Laravel, PHP, Python, Flask, MySQL, HTML, CSS, and JavaScript. Experienced in building database-driven academic applications and seeking an internship opportunity to further develop technical skills in a professional environment.

EDUCATION

- Universitas Esa Unggul - Bekasi, Indonesia
- Bachelor of Informatics | 2024 – Present
- GPA:** 3.88 / 4.00 | **Current Semester:** 5

Relevant Coursework

- Database Systems, Object-Oriented Programming, Web Programming, Computer Networks, Information Security, Data Warehouse.

TECHNICAL SKILLS

- Languages & Frameworks:** Python, PHP, JavaScript, Flask, Laravel
- Web:** HTML, CSS, Blade
- Database:** MySQL, SQL
- Tools & Concepts:** Git, GitHub, VS Code, CRUD, Authentication, OOP, Responsive Web Design

PROJECT EXPERIENCE

Flowlist - Task Management Web Application - Semester 4

Laravel, PHP, Blade, MySQL, HTML, CSS, JavaScript

- Developed a task management application using Laravel 13 with authentication, task creation, updating, deletion, dashboard, calendar, statistics, and user profile functionalities.
- Implemented Laravel controllers, Eloquent models, database migrations, session-based routing, and MySQL database integration.
- Applied CSRF protection and developed smoke tests for core pages and task CRUD operations.

Compass Campus - Educational Help Desk Platform - Semester 4

Python, Flask, MySQL, HTML, CSS, JavaScript

- Developed an educational help desk platform for exploring universities, study programs, and academic recommendations.
- Built Flask backend functionality with MySQL integration and a responsive web interface.

Bakery Store - Store Management Web Application - Semester 3

Python, Flask, MySQL, HTML, CSS

- Developed a database-driven store management application using Python Flask and MySQL.
- Implemented authentication, session management, role-based access, and product management functionality.

ADDITIONAL TRAINING

Bali International Flight Academy (BIFA) - Student Pilot

Jun 2022 – Sep 2023

- Developed discipline, situational awareness, decision-making, and attention to detail through structured professional flight training.
